

Adobe® Creative Cloud™ in education

The enterprise version of Creative Cloud is a platform that brings together everything you need to empower students, faculty, and staff across your institution to do their greatest work. Get the latest versions of creative applications and services along with centralized admin tools to help IT easily manage your deployment.

Students, faculty, and staff can access all of the Creative Cloud desktop apps—including Photoshop® CC, InDesign® CC, and Adobe Edge Animate CC—plus Adobe Photoshop Lightroom® and Acrobat® XI Pro. Best of all, you get the latest updates and new applications and features as soon as they're released, and can deploy them at your own pace.

Benefits of Creative Cloud for enterprise

You can customize the deployment of Creative Cloud for enterprise to meet the specific needs of your organization. Creative Cloud for enterprise will continue to evolve over time; it includes:

- Ongoing access to new creative apps, services, collaboration features, and exclusive updates as soon as they're released
- · Streamlined software management and deployment
- · Simplified purchasing and compliance with a single, term-based contract, paid annually
- Workflows across Creative Cloud desktop apps and other enterprise products such as Digital Publishing Suite, Adobe Anywhere for video, and Adobe Marketing Cloud, which includes Adobe Experience Manager (all sold separately)

Creative Cloud for enterprise

Always have access to the latest Adobe creative apps
